

Information of Exhibition " Data Center World Frankfurt 2026 "

Data Center World Frankfurt 2026.

At Data Centre World Frankfurt, experts from across the industry come together to address the realities of running efficient, resilient, and sustainable data centres.

Covering every aspect of Data Centres, we focus on what leaders need to act on now. Hosted within Tech Show Frankfurt - the most important technology event in the DACH region - it's *the* place to stay ahead of the sector's rapid evolution.
