

Information of exhibition "SEMICON WEST 2025"

【Topics】

SEMICON West 2025 represents a major milestone for the global semiconductor industry, bringing together over 1,200 companies and 100,000 professionals. Under the theme “Stronger Together,” the event emphasizes collaboration across the supply chain to tackle industry challenges and foster innovation. The exhibition will feature advanced technologies such as 3DIC, chiplets, heterogeneous integration, silicon photonics, and HBM. Key sessions will focus on AI chip design, quantum computing, and sustainable manufacturing. Attendees will also explore topics like supply chain resilience, talent development, and geopolitical issues.

Event website: **<https://www.semiconwest.org/>**

SWCC CORPORATION and TOTOKU INC. will exhibit within **Sanyo Corporation of America’s booth.**

We look forward to seeing you at Booth No. **7215** (Level 300, North Building)
