

Information of exhibition "APE 2025 Singapore"

【Topics】

Asia Photonics Expo (APE) is the world's leading holistic photonics platform for branding and business connection, focusing on the latest cutting-edge innovative technologies and the emerging application markets in Asia, aiming to promote the in-depth communication and business collaboration between the photonics upstream and downstream professionals. This influential event covers a wide range of the cutting-edge innovations and solutions in semiconductor, lasers, sensing, optical communications, optics and display, serving as a one-stop platform for industry professionals to discover new technologies and products, and to gain insight into market trends.

Event website: <https://www.asiaphotonicsexpo.com/>
