

Information of exhibition "SEMICON Taiwan 2026"

【Topics】

SEMICON Taiwan is a major semiconductor event in Taiwan, featuring 1,200 exhibitors, 4,100 booths, and over 20 international forums. This year focuses on eight key themes, including advanced manufacturing, heterogeneous integration, and compound semiconductors. It serves as an excellent business matching platform, driving technological innovation across various fields. For semiconductor players in the global supply chain, SEMICON Taiwan provides a great opportunity to showcase the latest solutions, while it remains a must-visit event for attendees to quickly learn about new developments from thousands of exhibitors.
